

# PRAIRIE FIELDS

---

## SPORTS PARK

**Prairie Fields Sports Park**, a sports facility within a park, will be located on 90 acres of land south of the Boone County Fairgrounds. This innovative park will provide recreational activities for people of all ages and interests while assuring economic benefit to our rapidly growing Boone County region.

**Prairie Fields** will welcome adults and children to participate in their favorite outdoor activities within a beautiful park setting. The park will provide a wide variety of traditional and new activities with long awaited amenities for seniors, families, community groups and sports teams.

A portion of the funding for **Prairie Fields** is provided by the Illinois Department of Natural Resources. Construction of the park will be strategically planned and completed as funds are available.

**Phase I** construction has begun and includes six soccer/football fields, shelter, playground, and parking. The fields will be ready to play on in spring of 2005. The remaining construction will be done in phases.

**Prairie Fields Sports Park**...our park for today and for tomorrow.

***If your organization is interested in a presentation please contact the park district office at 815/547-5711.***

# Prairie Fields Sports Park Conceptual Design
