Welcome

Belvidere Park District Preschool offers a warm and welcoming place where all children are encouraged to explore and develop at their own pace. We believe that children learn through play with opportunities to explore and experiment every day. Our focus is on the social, emotional, and intellectual growth through problem solving, large and fine motor skills, communication and language, and creativity. Caring teachers will encourage each child to try new things, meet new friends, and promote independence.

Our Philosophy

Play, once considered to be the opposite of education, is now regarded by early childhood specialists as the extraordinary educational process by which preschool children become introduced to a world filled with new and exciting discoveries. Through developmentally appropriate activities we foster physical, emotional, social, and cognitive growth while promoting a lifetime love for learning.

Curriculum

Our teachers follow a curriculum that meets the Illinois Early Learning Standards and aligns with preparing them for kindergarten. Please refer to the pages in this manual that breakdown the skills for each class.

Policies & Procedures

Attendance

If your child will not be attending class, please call 815-547-5711 x 15 to report an absence. If you plan to arrive late or pickup your child early, please notify your child's teacher, in advance, if possible.

Illness

If your child has been ill (fever, vomiting, diarrhea, rash) within the previous 24 hours, please keep your child home for the day.

Medication

If your child requires medication during class room time a "*permission to dispense medication form*" must be filled out and returned to your child's teacher on the first day of class. All medication must be sent in its original container with the following information on the label: doctor's name, patient's name, pharmacy name, medication name, strength, and dosage. Please include written instructions on administering medication.

Safety

Safety is very important to us, but accidents do happen. All of our staff are required to be AED and CPR/First Aid trained and certified. If first-aid is administered, an injury report will be completed.

Behavior Guidelines and Discipline

Preschool participants are expected to always exhibit appropriate behavior. A caring and positive approach will be taken regarding behavior management and discipline. Our goal is to help the children develop self control and learn to take responsibility for their actions.

The children are asked to follow three easily understandable rules:

- * We do not hurt ourselves, We do not hurt others, We do not hurt things around us

If redirection does not solve the conflict, the children are given a verbal warning, followed by a time-out. If the problem continues to occur, parents will be notified to help remedy the situation. Although discipline problems involving preschool children rarely warrant it, the Belvidere Park District reserves the right to suspend any child whose behavior disrupts the program or in any way endangers him/her or others.

Inclusion

It is the responsibility of the parent/guardian to notify the Recreation Supervisor at the time of registration if his/her child needs special accommodations in order to be successful in the program. The Belvidere Park District Special Recreation Department will work, within reasonable accommodation, to assist any child who wishes to participate in Park District programs and services.

Physical Activity

Physical activity is important for the health and development of young children. Preschoolers will take part in physical activities weekly. This may include playing on the playground outside or group games
