Did a 3rd Base Staff member go above and beyond to help a child succeed in a special way today? Do you feel that a staff needs to be recognized for something they have done?

STAFF TRAINING

Training is our most useful tool for ensuring a professional, prepared, and caring staff.

Training topics include: safety, dealing with behaviors in a positive manner, program / activity planning, emergency procedures, positive communication, disability awareness and more. First Aid/CPR/AED and Handle With Care are also required.

Letter to the Families

Parents,

We are excited for the 2024/2025 school year and are thrilled you have chosen the Belvidere Park District 3rd Base program for your childcare needs! This program operates in cooperation with School District #100. This Parent Handbook is to be used as a resource. The handbook contains important information about the 3rd Base program and the day to day operations. I recommend that you read over this handbook before your child attends.

Safety, fun, and new experiences are at the forefront of what we value. While each site is run independently with a varied schedule, each site will offer a variety of activities daily. These include games, homework time, outside play time, crafts, snacks, special events and parties, and free time to interact with and hang out with their peers in a safe and structured environment.

We care about each and every child that attends our program and will always strive to do what we feel is in the best interest for the children. Communication is key in accomplishing our goals. I would encourage you to reach out to your site's coordinator, or myself with any concerns or updates that you have in regards to your child(ren).

Here's to an outstanding year, Katie Inman - Recreation Supervisor—YOUTH

OPENING/CHECK IN PROCEDURES:

-Students will be sent to the designated 3rd Base area in their school. Each child will be checked in by a 3rd Base staff.

For your child's safety, you must always sign your child out at the end of the day when he or she is picked up.

Please bring a State ID for pick-up. Staff are trained to ask for these. Inform all authorized pick up people that they will be asked to show ID until staff become familiar with them. Staff will not release your child to anyone who is not listed on the Emergency and/or authorized pick-up contact form found in ePACT.
