Dear Residents, Park Participants & Visitors,

Grab your mittens and your calendar! Our Winter & Spring Guide is filled with seasonal activities and opportunities to enjoy the parks. Embrace the magic of the winter season: glide across the Riverside Ice Arena, join the lights of Hometown Christmas, hike snow-dusted trails, or stay cozy indoors with yoga, dance, and Tae Kwon Do.

When the days begin to stretch and the snow melts, we're ready to help you shake off that cabin fever. Look for early spring nature walks, family-friendly park activities, and programs designed to bring you back outside as the weather warms.

We're always interested in your thoughts and suggestions for future programs and improvements. Whether you've been part of our Parks family for years or are just getting to know us, thank you for spending time in our parks and taking part in the activities we offer.

Here's to an enjoyable winter and a refreshing spring ahead!

Behavior Management Policy

All participants are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to help make children's programs safe and enjoyable for all participants. Additional rules may be developed for specific programs as deemed necessary by staff.

The Park District insists that all participants comply with a basic behavior code. All participants shall

- Show respect to all participants, staff, and volunteers. Participants should follow program rules and take direction from staff.
- Refrain from using abusive or foul language.
- Refrain from threatening or causing bodily harm to self, other participants, or staff.
- Show respect for equipment, supplies and facilities.
- Not possess any weapons.

A positive approach will be used regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, a prompt resolution will be sought specific to each individual situation. The Park District reserves the right to dismiss a participant whose behavior endangers their own safety or the safety of others. Additional behavior policy information can be found in program handbooks. Contact the program supervisor for more information.

If undesired behavior outcomes require a disability-related accommodation, the parent/guardian must request reasonable accommodations before participation. Accommodations will be made on a case-by-case basis. Contact the Special Recreation Manager at 815-547-5711 x600 to begin the accommodation process.

Cell Phone Use
