Behavior Management Policy

All participants are expected to always exhibit appropriate behavior.

The following guidelines have been developed to make children's programs safe and enjoyable for all participants. Additional rules may be developed for specific programs as deemed necessary by staff.

The Belvidere Township Park District insists that all participants comply with a basic behavior code. All participants shall:

- Show respect to all participants, staff, and volunteers.
- Participants should follow program rules and take direction from staff.
- Refrain from using abusive or foul language.
- Refrain from threatening or causing bodily harm to self, other participants, or staff.
- Show respect for equipment, supplies, and facilities.
- Not possess any weapons.

Discipline

A positive approach will be used regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, a prompt resolution will be sought specific to each individual's situation. Belvidere Township Park District reserves the right to dismiss a participant whose behavior endangers his or her own safety or the safety of others. Additional behavior policy information can be found in program handbooks. Contact the program supervisor for more information.

If a participant requires a disability-related accommodation to support behavior management, the parent/guardian must request reasonable accommodations **prior to participation**. Accommodations will be considered and provided on a case-by-case basis. To begin the accommodation process, please contact the Special Recreation Manager at 815-547-5711 x600.
